Prices are approximate and subject to change. Just get in touch to receive an exact quote for your own event.

We are working with ships as they constantly sign up and also new suppliers. New and confirmed prices will be released for sale as soon as possible.

About The Event

Between Thursday July 6th and Sunday 9th 2023 Hartlepool will play host to a large international fleet of Tall Ships. We will be the first stop on an international Tall Ships race starting in Den Helder, Holland one week before.

When Hartlepool hosted the Tall Ships back in 2010, 60 ships from around the world docked in port and nearly one million visitors came to town.

2023 promises another amazing party!

Hartlepool will once again provide the warmest hospitality for all visitors, entertaining and delighting over a four day festival of events featuring open ships, street theatre and art, music stages, fireworks displays, live exhibitions, street food, parades, exhibitions and much more.

This will be a celebration that also creates rare and rewarding experiences for businesses. As well as partnership opportunities, the chance to entertain staff and clients on board your own Tall Ship with delicious catering and great entertainment is not to be missed.

The Ships

These magnificent ships, and their young crews, are the reason this event exists. The biggest ships, the Class A's are 40-110 metres long with towering masts and graceful lines, evoking voyages of discovery and adventure.

Their decks will take anything from 25 to 250 guests and provide a stimulating and exciting environment for guests to relax and mingle.

We also have a fleet of smaller tall ships coming to Hartlepool. These are the Class B's and are great if you have a smaller number of guests. These charming and just as evocative traditional ships mingle with their bigger brothers and are wonderful venues for more intimate experiences and getting to know some of their intrepid crew.

It is a privilege always to be invited aboard these ships. It's hard to find a more inspirational venue.

Your Tall Ship hospitality options

All aboard one of our Tall Ships to take part in a truly special event on the quayside. You will be in the heart of the event, with the sights and sounds of the festivities all around making it the perfect spot to relax and enjoy these very special venues. You may be looking to throw a staff party, host clients, or enjoy time with your friends and family. Whatever it is, our hospitality packages have been developed to deliver great memories for every guest.

For all events deck BBQ's work brilliantly as does bowl food or hot fork buffets, or even party canapés. Both daytime and evening options are available. The event crowds add to the atmosphere in the day, whilst the ship lighting up their decks and masts as the sun goes down make for a lovely environment to revel in.

We can provide entertainers, pirate shows (and Pirate Ships!), face painters and many more options. Each hospitality package can be tailored to meet your requirements.

A few of our ships

Hartlepool will host scores of Tall Ships across the four event days in July. New ships are signing up all the time. Visitors and guests will be spoilt for choice. These examples below are from Europe but the fleet will hail from all over the world.

Here are just a few of the big Class ships we will meet in summer '23. Talk to us to find out which ship will best suit your hospitality needs and indeed your brand.

MORGENSTER - HOLLAND

FREDRYK CHOPIN - POLAND

ALEXANDER VON HUMBOLDT II - GERMANY

STADSRaad LEHMUL - NORWAY

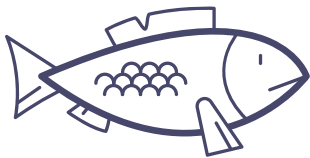

The location and event site

The Tall Ships will be berthed both through Hartlepool Port and Hartlepool Marina. The largest Class A's will be in the port where the deep water is, with smaller ships in the marina.

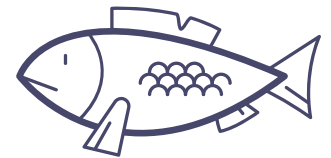

The sites will be joined and walkable, with entertainment spread across and around the quays and connecting areas.

Stages, event areas, bars and food outlets will provide additional entertainment for your guests to while away more hours before or after your event, enjoying the rest of the event programme.

Food and Drink

We will be working with a selected professional caterer who will ensure it's not just the magical Tall Ships that have your guests licking their lips.

A full selection of menus will be available as well as full bars to keep the party going.

Guideline Prices

These are guideline prices based on popular packages and low, medium and higher numbers. We can certainly accommodate just 10, and any number up to 250 on one of the big ships, so just ask for a quote.

There are lots of food and drink options, plus activities and entertainment we can tell you about. Tell us about your ideal group and we can put together a proposal for you.
